

2010 ICOSA
Alumni Regatta and Banquet

UNIVERSITY OF WISCONSIN SAILING TEAM
HOOFER SAILING CLUB

Dear Alumni and Friends,

The University of Wisconsin Sailing Team would like to invite you to the 2010 ICSA Alumni Regatta and Banquet. Come back to Madison, or come for the first time, to relive your days of college. This Memorial Day weekend, join collegiate sailors from every generation for great sailing, wonderful food, and time with old friends during the ICSA Team Race Nationals.

In order to accommodate the many returning sailors, the regatta will be held in two divisions in Badger Techs and Sloops. A banquet and awards ceremony will be held in the Memorial Union following the regatta.

For more information, to preview attendees, find a crew, skipper or boat for your other division and to register online, go to <http://www.collegesailing.org/nas/spring10/champs/index.html>
